Wyoming County Fair - Agricultural Exposition Center *“Vision 2020”*

Dear Wyoming County Fair Supporter,

Construction is underway for the newest addition to the Wyoming County Fair – fondly known as The Agricultural Exposition Center (formally the Cattle Barn). The projected cost of this phase of the project is \$518,281. Wick Construction of Warsaw, New York is our contractor for this phase and completion is slated for December 2019. Once the contractor is done we will have a weather-tight structure.

Plans for updating the Fair buildings began in 2017 when we were awarded a grant from NYS Ag & Markets for the amount of \$89,285. This money was used to prepare the site for the new barn. The money had to be used to improve infrastructure on the fairgrounds. Since that time we have been awarded two additional grants totaling \$192,306. Senator Patrick Gallivan also secured a grant on our behalf in the amount of \$50,000 through the State and Municipal Facilities Program. In order to continue the project, the Fair Association has secured funding from the Bank of Castile for construction.

Included with this letter, you will find a pledge form which outlines ways you can help with this important project. There is also a separate brick donation form. Any level of monetary contribution is appreciated! In order to be ready for the 2020 Wyoming County Fair, there are some additional needs. Listed on the pledge form are other ways you can contribute in kind resources to support this project.

The Wyoming County Fair holds special memories for so many families. It is now time to create new memories in a new facility! It is our goal to utilize this facility throughout the year for new livestock shows, craft fairs, expos, and other creative ideas. Feel free to contact us with any questions that we have not answered. We sincerely hope you will find a way to help the Wyoming County Fair Association with this very important project and pave the way for 2020 and many generations to come!

Sincerely,

Alan Rudgers

The Agricultural Exposition Center at The Wyoming County Fair Grounds

Engraved Brick Order Form

The Wyoming County Fair Association is offering the opportunity to purchase engraved bricks to be used in the walkway to our brand new Agricultural Exposition Center. All money raised from the sale of these bricks will be used to complete this project.

By purchasing a commemorative brick you will become a permanent part of the new Agricultural Exposition Center. A commemorative brick makes a thoughtful and lasting gift. You can choose a significant date, a memorial to honor a loved one or friend, your family or farm name, a favorite bible verse, or any combination of these things.

We're offering the standard size 4x8 brick for \$100.00 now until Black Friday, November 29, 2019 and \$150.00 after this date.

- Maximum 3 lines per brick, 20 characters per line including spaces and punctuation.

Please fill out this form and make checks payable to the Wyoming County Fair Association. Please mail your completed form and check to the Wyoming County Fair Association, PO Box 223, Arcade, New York 14009.
